Hi Amy-

Just checking back to see if you were able to glean any additional information about ADC through your discussions with the project officer and your meeting with DOA. Please let me know when you have a moment. In addition, we have not been able to get a hold of the folks over at USDA, but are hoping to hear something early next week.

Can we find out why they do not have jurisdiction. I don't understand this.

Fyi, we have not sent a response but will because the letter is also addressed to us. Our response will state that we don't have jurisdiction but per our 12250 authority we will work with your agencies. I will share the letter with you all first.

Lillian, sorry for the delay and thank you for the reminder. (Frankly, it had fallen through my cracks till now.)

I will be on travel tomorrow through the end of the week but can respond and also get on the phone as needed. My team is working on a response.
